INTERIM RECORD OF DECISION (IROD) LAM-045-01

Ref L A Martinez ltr (00RF02900) to C A Dan, Contract Requirement to Prepare a Draft Interim
Final Record of Decision, October 30, 2000

Dear Mr Dan

Kaiser-Hill Company, L L C (Kaiser-Hill) continues to prepare the Interim Record of Decision (IROD)
and its associated proposed plan in accordance with Contract Clause Section C, Technical Exhibit A,
IV C, End State A copy of Kaiser-Hill's draft IROD outline is attached for informational purposes

As stated in the reference letter, Kaiser-Hill is concerned about public statements that the IROD has been
replaced by a RFCA Integrating Decision Document (RIDD) It is Kaiser-Hill's understanding that the
regulatory agencies have expressed opposition to the IROD but support for the RIDD However,
Kaiser-Hill is not aware of any DOE contractual direction that affects the existing contract requirements
in this regard

Accordingly, Kaiser-Hill will continue to develop the IROD as set forth by the contract unless otherwise
directed by the Contracting Officer

Very truly yours,

Leonard A. Martinez
Director of Administration and Chief Financial Officer
